DETAILED ACTION

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 29 April 2004 has been entered.

2. Applicants' amendment has been examined. The specification and drawings are amended. Claim 1 is cancelled. Claims 2-6 are amended. Claims 2-6 are pending.

Claim Objections

3. Claims 2-6 are objected to because of the following informalities: Pursuant to claim 2, at line 10, delete the comma; at line 6, delete the bullet; at line 14, change "being" to - is- . Pursuant to claim 3, at line 4, change "being" to - is- -. Pursuant to claim 5, at line 10, change "being" to - is- -. Pursuant to claim 6, at line 3, after "optimized", insert - by- ; at line 12, change "being" to - is- -. Appropriate correction is required.

Claim Rejections - 35 USC § 112

4. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

5. Claims 2-6 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Pursuant to claims 2, 5, and 6, these claims are

rejected as being incomplete for omitting essential structural cooperative relationships of elements, such omission amounting to a gap between the necessary structural connections. See MPEP § 2172.01. The omitted structural cooperative relationships are between a "predetermined threshold value" and a "predetermined reference value".

Allowable Subject Matter

6. Claims 2, 5, and 6 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.
